II. Management Update

Planning on installing new windsock, some striping (manually), and getting all runway/obstruction lights operational as weather permits. Plan to installed laminated wood flooring in lounge in January 2006.

III. Old Business

Taxiway: Construction is completed for phase I. Contractor spent money planned for paving on bringing fill to site. Fill to be used is not available until phase II. There will be no additional charge for this incident. (engineering/consultant error when project was split)

Soule House: Dick Thomas of Chewonki Foundation has expressed an interest in the house. He visited the house but Ann has not heard anything additional.

IV. New Business

No new business came before the committee.
