10:00 a.m. – 6:00 p.m.

Recycling saves \$\$ and the environment!

The Town of Wiscasset wants you to help do your part to lower transfer station operating costs. In 2010 we recycled 250 tons. Did you know for every ton of material that is recycled we save about \$65? For this reason the Town passed a mandatory recycling ordinance. Starting October 1, 2011 any individual or business that does not recycle will pay a penalty of \$2.00 per bag. Luckily recycling is easy, please do your part and recycle.
