

WISCASSET ORDINANCE REVIEW COMMITTEE
MINUTES, JANUARY 14, 2019

Present: Gordon Konrath, Jackie Lowell, Chair Karl Olson and Jason Putnam.

Absent: Al Cohen

1. Call to Order

Chairman Karl Olson called the meeting to order at 6:35 p.m.

2. Approval of Minutes

Jason Putnam moved to approve the minutes of December 10, 2018. Vote 3-0-1 (Konrath abstained).

3. Continued work on Shoreland Ordinance draft

The committee reviewed the ordinance from page 44 onward, striking out duplicate or unnecessary sections. It was then the consensus of the committee that the parts of the ordinance beginning on page 44 that were a repeat of the State shoreland section (page 1 to 44) should be deleted and further that a determination be made whether to delete all sections of the current ordinance beginning on page 44, leaving the State shoreland ordinance as a stand-alone ordinance. The committee members will review the ordinance before the next meeting when a decision will be made on what sections of the draft ordinance will be kept.

4. Other Business

Karl Olson will not be present at the February 25th meeting.

5. Adjournment

Jason Putnam moved to adjourn the meeting at 7 p.m. Vote 4-0-0.
