

Town of Wiscasset
Worm/Shellfish Storage Box Permit Application

The undersigned applies for privileges of maintaining a worm/shellfish storage box at the Wiscasset public landing facilities, under the following conditions:

- 1. Maximum size of box is 3 ft. in any dimension.
- 2. No boxes are to be stored on the floats or piers.
- 3. This privilege applies only to the period of time the floats are in the water and is suspended during the time when the floats are removed for maintenance and/or winter removal.
- 4. The applicant will be assigned a specific location for exclusive use.
- 5. The assigned location number shall be clearly marked on top of each box.
- 6. Individuals are limited to a **maximum of two boxes**, each requiring a separate permit.
- 7. Annual permit fees are set at \$20.00 per box.
- 8. Permit period is May 1 to April 30 annually.

I understand/agree that failure to follow the conditions under which this permit is granted will result in loss of privileges and removal of storage boxes by the appropriate authorities without recourse of compensation.
