

## **Wiscasset Waterfront Committee Minutes**

Monday January 8, 2001

**Present:** Donald Jones, Chairman, David Brown, D. Kenniston Cooper, and William Sutter, Harbormaster

**Guest:** Dan Thompson

The meeting was called to order at 7:05pm. A quorum was present. The minutes of the December 4 meeting were approved without change. The Harbormaster had nothing to report, except for the fact that the Ferry Landing float was still in the water despite the committee's request that it be pulled.

Under **old business** the committee discussed the lack of response from the selectmen on eight recommendations of the committee since October 16. The committee agreed that the chairman would raise these issues at the January 9 selectmen's meeting, particularly emphasizing the urgency in dealing with the 2001 budget. The committee also wanted the chairman to emphasize to the selectmen their desire to cooperate with Stafford Associates in making the waterfront a better economic asset to the town.

Turning to **new business**, the committee reviewed a list of possible changes to the Port and Harbor Ordinance, which had been developed by the chairman working with the harbormaster. After reviewing the ordinance section-by-section workshop style, the committee agreed on a set of recommended changes that the chairman will present to the selectmen in the form of a revised ordinance in the usual strikeout and underline format.

The meeting was adjourned at 9:30pm. The next meeting will be on Monday January 22, 2001 in the map room at 7pm.

Respectfully submitted  
Donald Jones, Chairman
