Dennis Simmons reported that the Town approved an appropriation of \$383,780 from the Town's surplus, which will serve as a match for a \$4 million grant from the MDOT Infrastructure Adaptation Fund to support the relocation of the Wastewater Treatment plant. This funding will be combined with \$5 million in federal support secured through the efforts of Senators Susan Collins and Angus King. These funds will allow the town to move forward with Phase I, which includes the design and engineering, and to begin the construction necessary to relocate the facility to a safer, more resilient location. He said that the project is an investment in the future of Wiscasset.

Simmons reminded the public of the Wiscasset Holiday Marketfest which will take place on December 8 and 9 offering great shopping opportunities, and he invited those shopping or visiting Gardens Aglow to visit the many restaurants in the area (http://wiscasset org/news/Wiscasset-your-midcoast -dining-destination).

This month we had an extremely high call volume. We only had to send 3 calls to mutual aid. I am very proud of the crews for their ability to get all the calls done.

We held two CPR classes, taught by our newest CPR instructor Kaitlyn Munsey. She taught, for some medical providers and lay people. Congratulations to her for making an impact on the community via teaching others this vital skill.

I wanted to congratulate Patience Middleton on getting her Advanced license. She has been cleared to work as an advanced with a paramedic and hopefully by next month she will be cleared to work independently as an advanced.

Scout Hall- We have been coordinating with trades such as H-Vac and the electrician to get the final items done at Scout Hall.

Training- This month's training was taught by Paramedic Nicholas Henderson. He taught Mental health and the provider. It was attended by other towns providers. CEH's were awarded. He presented the issues that are faced with first responders especially in EMS and the collective effects that compounding calls have on crews. He outlined ways of reducing stress and presented the need for Peer support for stressful calls, and non-stressful as well.

Next Month we will have training with Options Training which is a division of Sweetser. This training will be over Narcan use and recognizing an overdose. This will be held on December 16th at 6 pm. We are inviting the public works and sewer department to join this class so they can have the option to carry Narcan in the event they are exposed to narcotics in their daily duties in town.

We had a patient come to the station and thank the crew that cared for her. She brought Coffee and cookies and she told the Town Office staff that she greatly appreciated the care that she received. Thank you to Nicholas Henderson and Patience Middleton for your compassionate care.

Community Events- The crew attended the Senior Super and went and held a blood pressure clinic and enjoyed the meal! They look forward to next month's Shepard's Pie!! Lastly EMS was invited to Boothbay for the parade of lights that was held in Boothbay we had some very stiff competition and unfortunately didn't take first place with our light display but we congratulate Richmond Fire for their well-deser

FIRE DEPARTMENT REPORT

To:

Dennis Simmons, Town Manager

From:

Robert Bickford, Fire Chief November Monthly Report

Re:

Date:

December 11, 2024

Operations:

The fire department responded to 11 calls for service this month. This number is down from 12 for the same period of time last year. Since the start of the fiscal year, the fire department has responded to 66 calls for service.

The calls for November break down as follows: 4 motor vehicle accidents: 1 structure fire (Drier fire in Dresden); 2 brush / grass fires; 2 fire alarms; 1 smoke investigation and 1 propane call.

Of the 11 calls for service, 10 were in Wiscasset. We provided mutual aid to Dresden for a possible structure fire that was contained to a clothes drier.

Training:

Training for the month included chimney fire response and tactics training and tour of the Islesbrook Village.

Staffing:

Our staffing levels remain unchanged. We currently have 22 members, 2 junior firefighters and 6 Lifetime members.

The fire department is always looking for volunteers who are interested in helping their neighbors in their time of need. If you are interested, please reach out or stop by. We are at the station every Wednesday evening at 6 p.m. for training.

Events:

Both of our Class "A" engines had their annual pump service and testing completed this month. After a few minor repairs, both engines are certified for the coming year.

On November 14, I attended a table top drill exercise at MoInlycke, Inc. The purpose of this annual exercise is to review their emergency plan and make any adjustments necessary.

Financials:

At 42% through the fiscal year, our budget stands at 19.48% expended. There were no notable expenses this month.

Respectfully submitted, Rob Bickford

WISCASSET POLICE DEPARTMENT

To: Dennis Simmons, Town Manager

From: Lawrence Hesseltine, Wiscasset Police Chief

RE: November Monthly Report

Date: December 9, 2024

The Wiscasset Police Department responded to 765 calls for service in the month of December.

Officers performed 156 motor vehicle stops and 214 property checks.

There were 18 arrests for the following:

- Theft by unauthorized taking or transfer
- Operating Under the Influence
- Criminal Trespass
- Motor Vehicle Speeding 30+MPH over limit
- Domestic Violence Assault
- Unlawful Possession of Scheduled Drug

This month Officer Farrell attended training for Behavior Health and Criminal Investigations. The agency is required to have at least 20% of its officers trained for behavior health however our goal is to have every officer trained.

Officers have been performing Stonegarden details which are traffic details through the Lincoln County Sheriff's Office that are funding by the US Border Patrol. These traffic details allow officers to perform 6 to 8 hour details with the reports provided to Border Patrol.

Our agency has once again been awarded four Maine Bureau of Highway Safety traffic grants. Each grant award amount is \$2,520.00 for Speed Enforcement, Distracted Driving Enforcement, Impaired Driving Enforcement and Click it Or Ticket each. These grants will allow officers to perform 4-hour highly visible traffic details focused on the intended enforcement.

See next page for calls for service.

Re: October/November Monthly Report

Date: December 11, 2024

We have had a very busy couple of months with many events and programs happening within the Town and the WCC. Our fall sports programs (Soccer, Football and Running Club) were all coming to an end and finished up at different times throughout the past couple of months!

We added a new event to the month of October this year, our WCC Unsinkables held a Raven Egg Hunt in the WCC Pool that was well attended. We also held our Annual Scarecrowfest and Nightmare on Federal Street events, which were also very well attended.

We, in partnership with the Wiscasset Area Chamber hosted a Business After Hours event at Aekeir Brewing on Main Street, great exposure for the WCC / WPRD and the events and programs that we have to offer. Hoping to do more events like this to get us out there with more exposure to area businesses.

We hosted a WMHS Booster Cornhole Tournament in the WCC Gym on Saturday, October 26th

In November we held our Annual Craft Fair in partnership with the American Legion Auxiliary, raising money for the Cooper DiPerri Scholarship Fund.

We hosted the voting for the town, state and nation on Tuesday, November 5th, "THANK YOU" for taking the time to vote!

November also signifies the start of the decorating of our downtown with trees, lights, wreaths and garland. We want to say "THANK YOU" to all of those people who came out and volunteered their time to welcome in the holiday season!

The LCRPC (Lincoln County Regional Planning Commission) held a regional resource fair here at the WCC in November.

We hosted the Wiscasset Public Library's Cookbook Book Club

We worked together with the school to host their annual Turkey Tip-Off Basketball Tournament, hosting multiple games for both the boys and girls varsity programs.

Our building seems to be in transition all of the time, we have multiple programs, activities and events going on daily, weekly, monthly and yearly.

Fiscally, through the fourth and fifth month, we are looking strong in comparison to previous years and are looking great for our estimated budget revenue and expenses for the year!

We have now had five solid months (approx..42% of our fiscal year)! Revenue wise we have brought in \$309,326 (43.2%) and expense wise we have spent \$488,861 (36.3%).

Program Updates

Our WCC programs and activities continue to have great participation. Registration is always open for the many different opportunities to learn how to swim, build social and physical skills, compete in area sports and support local community!

ASA registration is open -45 registrations

We hosted a day camp in October where we travelled to Beth's Farm Market. The kids were able to enjoy the hay pyramid, corn maze and bring home a small bag of apples to enjoy! Swimming lessons – 68 registrations (Oct - Nov)

Karate – 18 registrations (Sept - Oct), 14 registrations (Nov – Dec)

Parent-tot Swim Lessons – 17 registrations (Sept - Oct), 21 registrations (Nov – Dec)

Splash Swim Class – 8 registrations (Sept - Oct), 11 registrations (Nov – Dec)

Pre-teen / Teen Swim Class – 7 registrations (Sept - Oct)

Unsinkables Swim Team & Club – (27 registrations) Registration is still open for the winter season. Practices and meets will be happening throughout the winter season! **GREAT NUMBERS!**

Pickleball – averages between 14 - 20, sometimes more players daily, courts available both inside (WCC, 3 courts) and outside (WMHS, 6 courts).

Youth Basketball – registration is open!

Three FREE clinics were hosted in November!

Adult Basketball – registration is open!

Fall sports

Midcoast Youth Football (Seahawks, based in Boothbay) – 59 registered between the 3 divisions!

Our 3/4 (JV) team won the League Championship for the second year in a row! "CONGRATULATIONS" to all the coaches, kids and parents for their continued dedication to our Youth Football program. Our 5/6 team also did very well this season, along with the PeeWee program!

Youth Soccer hosted a round robin (at least three games for every team involved throughout the day) for both the 3/4 & 5/6 divisions in late October (19th), hosting Bath, CLC, Richmond, Boothbay and Wiscasset teams.

Run Club hosted their home meet on Wednesday, October 16^{th} , hosting multiple towns for a half-mile, three quarter mile and mile race for grades $1^{st} - 6^{th}$. We finished up our season on Oct 19^{th} at the Championship Meet in Cumberland at Twin Brooks Outdoor Recreational Facility. We had a great showing by all of our runners; 'CONGRATULATIONS' to them on a great season!

Fitness classes offered and average attendance

PiYO (3 - 7 participants), Yoga (6 – 12 participants), Waterworks (14 – 30 participants, morning & evening), Fitness Challenge (5 participants), Zumba Gold (5 – 10 participants), Balance & Flow (4 – 9 participants).

Senior Cribbage – Tuesday mornings & Thursday evenings (18 – 26 participants)

Senior Dinners -1^{st} & 3^{rd} Wednesday (monthly, (40 - 60 registrations))

Wednesday, November 20th, we had over 60 participants for this great Thanksgiving meal! Special "THANKS" to Marjorie DiVece for her great job of cooking the Senior Dinners!

Building and Grounds Updates

October,

The grass slowed down giving us a breather in that part of the upkeep of the grounds.

We work hard to make sure that the WMHS soccer teams and our recreation teams have the fields prepared for practice and games. We also started dragging the baseball and softball fields to prepare them for winter and opening in the spring.

We (volunteers and staff) continued to work on the walking trails behind the WCC/WPRD when time allowed, tearing apart what was left of the Yurt and hauling it out.

We were able to get our new pavers placed outside of our gym door exits and our center circle pavers replaced. "THANK YOU" to Mark Rego and crew for a great job done.

November,

We were able to clean up all of our sporting equipment throughout the fields and courts. Bring in our business banners, clean up trash and debris from the fields and playgrounds.

We (volunteers and staff) continued to work on the walking trails behind the WCC/WPRD when time allowed, tearing apart what was left of the Yurt and hauling it out.

Decorating of the downtown, getting ready for Marketfest Weekend and Town Tree lighting. Prepare bins of basketballs for the WES Gym and WCC Gym for the upcoming basketball season.

Community Events

Our monthly ARC Blood Drive was held on Friday, November 8th, 10:30 am - 3:30 pm, call 1-800-733-2767 or visit RedCrossBlood.org to schedule an appointment. Our next scheduled in October has been cancelled, our next drive will be on **Friday**, **December 13th**.

WCC, Partnerships & Community Events

Scarecrowfest – This was a great event with us selling out of the materials to build a scarecrow. The Chili / Chowder Cookoff was also successful. An event that can be built on year after year. The Pirate's on Federal Street were also on hand giving out FREE Halloween Costumes.

Business after Hours (WACC, WCC, WPRD) event at Aekier Brewing, Friday, October 18th

As mentioned above, this was a great event! Special "THANK YOU" to Lucy Oyster for putting this together for us!

Raven Egg Hunt (NEW Pool Event), Friday, October 25th

Also mentioned above, this event was well attended. Special "THANK YOU" to Nori Lund and the Unsinkables for starting up and hosting a great annual event!

Nightmare on Federal Street – Thursday, October 31st (Halloween)

Another great year, attendance was through the roof! The parade was a huge success, everyone held off on giving out their candy and snacks until after the parade had concluded. Special "THANKS" to all of the businesses, homeowners, organizations, town departments and

Bob Bond for the use of his front lawn and power!

Annual Craft Fair - WCC, November 2nd

There were over 50 tables sold for this annual event, in partnership with the American Legion Auxiliary.

Marketfest - December 6th, 7th & 8th

Special "THANKS" to our SANTA for his dedication to the many appearances here in Wiscasset!

Annual Tree Lighting - Town Common, December 7th

Winterfest Weekend (Annual Cooper DiPerri Schorlarship Fundraiser)— January 31st & February 1st, list of activities coming soon!

Father / Daughter Dance - Friday, February 7th

Financial update

Our numbers through the month of November

Revenue - \$309,326 (43.2%, Town office), estimated \$715,000 (2024-25 fiscal year) Expenses - \$488,861 (36.3%, Town Office), estimated \$1,346,666 (2024-25 fiscal year, includes approved carry forward from 2023-24 budget)

Director's Note:

I like this note and decided to leave it, it speaks for itself!

As we move forward into this new fiscal year I hope to help people understand the importance of the Wiscasset Parks & Recreation Department and the Wiscasset Community Center!

The Wiscasset Parks & Recreation Department has many different tasks and commitments throughout any given year, building up the department more and more for the betterment of our community and surrounding areas!

The Wiscasset Community Center is a unique facility with the ability to house and offer many different programs / activities to all of those who want to explore their own strengths and abilities.

A huge 'THANK YOU' to all those who continue to support the WCC/WPRD!

Re: November Monthly Report

Date: December 12, 202

This month blew by fast; I was busy with training and meetings. However, I believe some progress has been made on several key initiatives.

Airport - Edgecomb Property

I have received a property appraisal for the Edgecomb property. I have contacted FAA regarding the next steps. I will keep you updated.

Business Recruitment/ Retention

As I drive around Wiscasset, I want to say there is much to be proud about.

The Town of Wiscasset has a lot to be proud of. Driving around this weekend, I noticed 23 states in our total parking lots. The Chamber held a well-attended Scarecrow Fest and Chili, Chowder, and Pumpkin Dessert Contest. Tucker Chevrolet property is hauling in fill. Ames True Value, Islebrook Village, and Wiscasset Ford expansions are moving along. The old Miss Wiscasset Dinner is now a Thai Restaurant. Progress is moving along with Wawenock Block.

Comprehensive Plan Committee

I continue to work on writing the Comprehensive Plan's Finance and Economic chapters.

Communication

I have nothing to report at this time. However, I am researching Citizen Local Academy programs that citizens can attend to understand better how their local government works.

I am working with Economic Development Committee to help promote local eateries in town by developing a brochure and doing a short media blast regarding their restaurant.

Economic Development Committee

Our next meeting will be Thursday, November 14, 2024, at 5:00 PM. At this meeting, we will discuss the Committee's selected and prioritized goals and strategies from the County Housing Needs Assessment.

Economic Contribution Analysis

They have begun conducting analysis.

Mason Station/ Town-owned Birch Point properties

I am working closely with potential redevelopers to assist them with their project at Mason Station. They attended the Tuesday, October 15, 2024, Selectboard to discuss several public safety improvements they plan to make to the property this fall. This work has begun in earnest.

I have been working with the Town Attorney. They are conducting a title search and reviewing the town's property foreclosure files to develop a thorough response to the next steps. I have a memo from the Town Attorney with recommendations.

Old Ferry Road Property

I submitted a letter of interest for town planning projects to the Lincoln County Regional Planning Commission regarding hiring a land-use consultant/ engineering firm to conduct a regulatory analysis and master plan for the development of mixed-income housing (affordable, workforce, market rate) and mixed-type housing (multi-family, attached, single-family) along with commercial sites and open spaces for recreation at Old Ferry Road. I am drafting RFP for engineering firm to conduct the regulatory assessment and master plan.

LCRPC will submit another grant application for Brownfield Site Assessment funds this fall. They have agreed to support our project if grant funds are awarded next year.

The Town is still awaiting an updated contract from the Forester regarding the timber harvesting of the Ferry Road Property. This timber harvest will be the essential first step in the development process; I request that all proceeds from the harvest go to a dedicated special revenue fund to pay for the development costs.

I have been working with the Town Attorney. They are conducting a title search and reviewing the town's property foreclosure files to develop a thorough response to the next steps. I have a memo from the Town Attorney with recommendations.

Climate Action Team

The Town could be an Offshore Wind Farm Interconnection Site. We could negotiate a host town agreement with an Offshore Wind Farm company, which could generate general income for the town. We need to have some public engagement process regarding whether residents support this project to assist us with long-term planning for this eventuality. I strongly encourage us to engage a law firm capable of handling this complex legal matter to be prepared for this eventuality.

The Climate Action Team will serve as the Outreach Committee. An RFP for hiring an engineering firm to assess the Town's waterfront infrastructure vulnerability has been finalized and is ready for distribution.

Maine Community Energy Redevelopment Program

This partnership is between the Maine Governor's Energy Office, Maine Economic Community Development, and HR&A Advisors. The purpose is to foster economic development across Maine by providing high-quality technical assistance to projects that unlock community assets for economic growth. They are looking for 5 to 8 communities to assist. The Town submitted a survey requesting assistance on Mason Station, Maine Yankee, and the Old Ferry Road Property.

Outcome: Wiscasset stakeholders and community members align upon a holistic vision for the sites within their energy corridor. The Town of Wiscasset has a coordinated land use and phasing strategy based on community and market input. The Town has an actionable list of relevant funding opportunities to help them advance to future development phases.

A site visit/ tour of both Mason Station and Old Ferry Road Property along with stakeholder meeting, Tuesday, November 12, 2024. Stay tuned for further public engagement.

Meetings, Training, and Memberships

I attended or will be in the following meetings, training/workshops/ networking events:

- MMA Convention, Wed. Oct. 2 & Thurs. Oct. 3
- Energy Communities Alliance, Consent-Based Siting Meeting, Wed. Oct. 16 & Thurs. 17
- Maine Yankee Community Advisory Panel Meeting, Tuesday. Oct. 29
- Maine Downtown Conference, Wed. Nov. 6 & Thurs. Nov. 7

Transportation Study/ Traffic Safety Audit

At the Tues. Sept. 3, 2024, at the Selectboard meeting, I requested a traffic safety audit for Route One in Wiscasset. The last time a traffic safety audit was completed on Route One was in June 2012. I asked for the audit to identify any safety and mobility concerns and suggest strategies for correcting the deficiencies at the Tues. Sept. 3, 2024 meeting, you asked me to determine if the MaineDOT had planned improvements for Route One in Wiscasset in their work plans. According to the MaineDOT 2024-2025-2026 Workplan, there are no planned improvements. I met with MaineDOT Region #1 Transportation Planner Stephen Cole on Tuesday, September 17, 2024. I reviewed the old traffic safety audit and determined which recommendations have been completed—MaineDOT and LCRPC support conducting this audit. At the last meeting, you approved traffic safety for Rte. 1, 144, and speed study for Route 144. We recently received results from the speed study on Rte. 144. It doesn't appear there is a need to change the speed limit. We have asked them a number of questions and are waiting for their feedback.

Website and GIS

The Town is working with CivicPlus, the Town's new website provider, to create a new website. We have been busy taking pictures, completing questionnaires, and meeting with them to discuss the project. This will be an ongoing project. The new website's projected live date is January 2025. This product will consolidate our text with government and recreation facility software and integrate agenda development and ordinance codification into one website, improving economies of scale, efficiency, and transparency.

CAIGIS has completed the webportal. This new powerful tool will be accessible to everyone, including Town officials, business owners, and residents, on the Town website: https://www.avisgis.com/wiscassetme

website: https://www.axisgis.com/wiscassetme

Thank you in advance for your patience and understanding. Please remember that this system is new, the Town is working with the vendor to make a few last-minute updates, and staff still needs training.

In Conclusion

I believe the future is bright for Wiscasset. Wiscasset is on the upswing and is a special place to live, work, and play. I'd encourage us to remember that economic development doesn't happen in days, weeks, and months but in years and decades. What we do know might not bear fruit for years to come. Please be patient. Let's continue...with prudent public policy decisions and stay out of the negative limelight. Just know that change is coming. Go, Team Wiscasset!

BUDGET: With 41.7% of the fiscal year completed, the Sewer Department has spent 34.7 % of its budget. With 41.7% of the fiscal year completed, sewer billings have brought in 43.8% of the amount of revenue needed to meet the fiscal year's operating budget.

SEWER PLANT RELOCATION: On Election Day 11/6/2024, voters of the Town of Wiscasset approved moving the Wiscasset Sewer Plant to the site currently occupied by the Wiscasset Public Works Department. This enables the Town to seek additional Sewer Plant funding opportunities, most of which require a specific location to be selected. Many thanks to the Town voters for helping us take this first step in our relocation!

NUISANCE ALARMS AT #9: We began receiving a daily low battery alarm at pump station #9 (at 330 Birch Point Road) every day at 3:09 PM. Installing new batteries twice, did not stop the alarms. A visit from the Seacoast Security repair technician discovered a bad battery recharge unit on the radio circuit board. Fortunately, we had a spare we took from a decommissioned alarm box, which the technician installed.

During this repair, we saw that the battery we had replaced was installed in 2020. As they usually last about 5 years, I ordered in 2 cases of batteries and we replaced the old ones at all 18 pump stations.

MAJOR CONTROL FAILURE: We received a Sewer Plant pump failure alarm after midnight on 11/12/2024. I and technician Tony Colby responded to the alarm but we could not reset the effluent pumps which had tripped out (this often occurs with a power surge or brief outage). Electrical engineer Kevin Sprague was called and arrived at 1 AM. He diagnosed the problem to be with the Miltronics controller which reads the level in the effluent wet well, enabling the effluent pumps to turn on and off. An original unit from 1992, it had failed. Bad news. Without the pumps working, everything in the plant could back up!

Before he left, Kevin rigged the pumps so they could be run manually, and I did so several times during the early AM hours.

An emergency call was placed with Sullivan Associates who supply these controllers. They had one in stock and would be able to perform the replacement after sunup. Two Sullivan technicians spent most of the day at the plant performing the replacement and programming the new Miltronics unit. A final return visit from Kevin Sprague enabled Sullivan's men to complete the work and get us back up and running. Many thanks to Kevin Sprague, Chris Williams and Tim Pinkham for answering the late-night phone calls and keeping us from having any spills or backups!

GENERATOR HEADACHES!: During their weekly pump station inspections, Sewer Plant technicians discovered that the generator at pump station #2 (199 Bath Road) had not performed its automatic weekly exercise, nor could it be run manually. This generator is 2-years old. A call was placed to Cummins Sales and Service for a technician to come out.

On 11/18, the Cummins technician visited and determined there was a problem with a circuit board which he ordered and would return in a day or two to install.

In the days waiting for the part, another generator (at pump station #8, 117 Birch Point Road) also suddenly stopped exercising!

The technician returned on 11/21 and got the generator up and running at pump station #2. In fact, it didn't need the circuit board, but required some significant programming corrections. While in Wiscasset, he stopped at the generator at #8, and found a simple fix, enabling that generator to run normally again.

A BURNED-UP THERMOSTAT: In November, we noticed the air temperature in the headworks building was 90 degrees F. We adjusted the thermostat temperature setting, but it continued to run the heater non-stop (Because of the presence of dangerous gasses in incoming sewage, electric items in the headworks are required to be explosion proof). We ended up shutting it off during the day, and contacted Coastal Climate Controls to acquire a replacement. The new unit was installed on 11/26 and works fine enabling the room to be kept about 60 degrees F.

This concludes the November 2024 Wiscasset Sewer Department Monthly Report.

Respectfully Submitted, Robert T. Lalli, Superintendent, Town of Wiscasset Sewer Department

RE: Big Al's Outlet, Inc. application for 2024 Fireworks License

<u>Summary</u>

The Bryants have now lost all nine Rule 80B appeals of decisions made by the Town of Wiscasset Planning Board and Select Board related to the Wiscasset Consumer Fireworks business operated by Big Al's Outlet, Inc.

Recent Decisions

On April 18, 2024, the Maine Supreme Court issued a memorandum decision *denying* all three Bryant appeals of Business and Fireworks Licenses issued to Big Al's Outlet, Inc. in 2019. See attached Exhibit 1 Mem Dec 24-44. Its decision was a simple one based on the fact that the Town licenses had expired. The Supreme Court had previously analyzed the same legal arguments raised by the Bryants related to the Planning Board approval of an expansion of the warehouse in a prior appeal. See *Bryant v Wiscasset et al*, 2017 ME 234. The Supreme Court apparently saw no reason to repeat its 2017 decision on the merits.

On October 12, 2024, the Lincoln County Superior Court dismissed the Bryants' appeals of Fireworks Licenses issued to Big Al's Outlet, Inc. in December of 2020, 2021, and 2022 because each of those licenses had expired, too. The Bryants did not appeal those decisions that are now final.

On November 12, 2024, the Lincoln County Superior Court dismissed the Bryants' appeal of the December 2023 Fireworks License issued to Big Al's Outlet, Inc. See Exhibit 2. The Bryants did not file an appeal of that decision so it is now final, too.

TOWN OF WISCASSET et al.

Argued December 7, 2022 Decided April 18, 2024

Panel: STANFILL, C.J., and MEAD, HORTON, CONNORS, and LAWRENCE, JJ.*

MEMORANDUM OF DECISION

Kathleen and Thomas Bryant appeal from a judgment of the Superior Court (Lincoln County, R. Murray J.) dismissing as most their appeals, brought pursuant to M.R. Civ. P. 80B, of the Town of Wiscasset Board of Selectmen's (the Board) approval of two annual licenses, which were for the sale of consumer fireworks and applied for by party-in-interest Allen S. Cohen, the owner of party-in-interest Big Al's Outlet, Inc., d/b/a Big Al's Fireworks Outlet (Big Al's).¹ The Bryants also appeal from the court's amended judgment affirming the Board's approval of Cohen's business license application regarding Big Al's.²

We conclude that the court did not err in dismissing as moot the Bryants' appeals regarding the expired annual sales licenses. See Anthem Health Plans of Me., Inc. v. Superintendent of Ins., 2011 ME 48, $\P\P$ 5, 7, 18 A.3d 824; see also

² We consolidated the Bryants' three appeals regarding the three licenses.

Although Justice Jabar participated in this appeal, he retired before this memorandum of decision was certified.

¹ Big Al's is also owned by party-in-interest Melissa Cohen.

Lewiston Daily Sun v. Sch. Admin. Dist. No. 43, 1999 ME 143, ¶ 12, 738 A.2d 1239 (explaining that "[c]ourts cannot issue opinions on questions of fact or law simply because the issues are disputed or interesting" and "can only decide cases before them that involve justiciable controversies"). The parties do not dispute that the annual sales licenses have expired, and we determine that none of the exceptions to the mootness doctrine require us to accept the appeal. See, e.g., Mainers for Fair Bear Hunting v. Dep't of Inland Fisheries & Wildlife, 2016 ME 57, ¶¶ 5, 7-8, 10, 136 A.3d 714; Monroe v. Town of Gray, 1999 ME 190, ¶¶ 1, 4-6, 743 A.2d 1257; Me. Civ. Liberties Union v. City of South Portland, 1999 ME 121, ¶¶ 8-11, 734 A.2d 191. We thus affirm the court's dismissal of the Bryants' appeals regarding the Board's approval of the annual sales licenses.

We dismiss as moot the Bryants' appeal regarding the business license because the parties do not dispute that the business license has expired since the court's amended judgment. See Monroe, 1999 ME 190, ¶ 4,743 A.2d 1257; Halfway House, Inc. v. City of Portland, 670 A.2d 1377, 1379-80 (Me. 1996). Further, we decline to apply any of the exceptions to the mootness doctrine. See, e.g., Anthem, 2011 ME 48, ¶¶ 8, 10, 18 A.3d 824; Carroll F. Look Constr. Co. v. Town of Beals, 2002 ME 128, ¶¶ 1, 7, 802 A.2d 994; Monroe, 1999 ME 190, ¶ 6,743 A.2d 1257; Lewiston Daily Sun, 1999 ME 143, ¶¶ 18-19,738 A.2d 1239.4

The entry is:

Judgment dismissing as moot the Bryants' appeals regarding the Board's approval of the annual sales licenses is affirmed. The Bryants' appeal of the amended judgment affirming the

We note that the Bryants have filed multiple 80B complaints in the Superior Court, which involve these parties and concern the Board's subsequent approval of Cohen's applications for annual licenses for the sale of consumer fireworks, and the Town's alleged failure to take enforcement action, after the order of the court (Kennebec County, Murphy, J.) in Bryant v. State of Me. Dep't of Pub. Safety, No. AP-19-18, 2020 Me. Super. LEXIS 75 (May 7, 2020). We may take judicial notice of materials from the current proceedings involving the parties. See Cabral v. L'Heureux, 2017 ME 50, ¶ 10, 157 A.3d 795 ("Courts may take judicial notice of pleadings, dockets, and other court records where the existence or content of such records is germane to an issue in the same or separate proceedings.").

⁴ We thus do not reach the merits of the parties' arguments regarding any of the licenses. See In re Involuntary Treatment of K, 2020 ME 39, ¶ 14, 228 A.3d 445.

Board's approval of the business license is dismissed as moot.

KATHLEEN BRYANT and THOMAS BRYANT,)	
Plaintiffs,))	80B ORDER
v.))	
TOWN OF WISCASSET at al,	j	
Defendants &	Ś	
Parties-In-Interest)	

INTRODUCTION

The matter before the court is Plaintiffs' appeal pursuant to M.R. Civ. P. 80B of the Town of Wiscasset Select Board's decision to grant a 2024 license to Big Al's Outlet to sell fireworks at its location at 300 Bath Road in Wiscasset, Maine. For the reasons stated below, the decision of the Board is AFFIRMED and the appeal is DENIED.

STANDARD OF REVIEW

In an appellate capacity, the Superior Court reviews a municipality's decision directly for errors of law, findings not supported by the evidence in the record, or an abuse of discretion. Tenants Harbor Gen. Store, LLC v. Dep't of Envtl. Prot., 2011 ME 6, ¶ 8, 10 A.3d 722. The party asserting an error in a Rule 80B appeal bears the burden of showing that error before the court. Quiland, Inc. v. Wells Sanitary Dist., 2006 ME 113, ¶ 16, 905 A.2d 806. A decision is supported by substantial evidence "when a reasonable mind would rely on that evidence as sufficient support for a conclusion." Phaiah v. Town of Fayette, 2005 ME 20, ¶ 8, 866 A.2d 863 (quotations omitted) (citing Forbes v. Town of Southwest Harbor, 2001 ME 9, ¶ 6, 763 A.2d 1183). The court may not substitute its judgment for that of the board and may not determine that a board's decision is wrong

"because the record is inconsistent or a different conclusion could be drawn from it." *Phaiah*, 2005 ME 20, ¶ 8, 866 A.2d 863.

DISCUSSION

The Plaintiffs argue that the Select Board erred in issuing the 2024 license because the applicant was not in compliance with state law as required by the Wiscasset ordinance. The Plaintiffs argue that the applicant was not in compliance with state law because it did not have a license for its fireworks storage facility at JB's Way in Wiscasset. In support of this position, the Plaintiffs rely on a 2021 Superior Court order, from a case that the Town of Wiscasset was not a party, that states in *dicta* that a state license is required for the JB's Way facility. The record is clear that no such license has been issued.

First, the court determines, as a matter of law, that the Wiscasset ordinance only requires that the Select Board find that the applicant "has complied with all federal, state and local laws, ordinances, rules and regulations" at the location for which it seeks a license. The language of the ordinance does not suggest a different interpretation and the reading suggested by the Plaintiffs could cause absurd results where an applicant is denied a license for a minor, unrelated violation of law.

Second, even if the ordinance is to be read as the Plaintiffs suggest, there is substantial evidence in the record by which the Select Board could find that the applicant was in compliance with state law. The Select Board had before it evidence that the applicant held the required State and Federal permits. From this evidence, the Select Board could make reasonable inferences that the applicant would not be granted such licenses if it were not in compliance with state law. In addition, the Select Board could rely upon the applicant's statement of compliance and the statements from the Fire Chief and the Police Chief that there were no issues with the applicant.

The order is:

The decision of the Town of Wiscasset Select Board is AFFIRMED and the pending appeal is DENIED.

Any pending motions not previously addressed by the court are now MOOT.

The Clerk shall incorporate this Order into the docket by reference. M.R. Civ. P. 79(a).

Expiration Date: July 1, 2027

Explosives License/Permit Type: 53-DEALER OF EXPLOSIVES

EXPIRATION DATE: This Notice expires when superseded by a newer Notice which will list all current responsible persons and employee possessors, or when the license or permit expires - whichever comes first.

WARNING. Only those individuals listed below as RESPONSIBLE PERSONS and EMPLOYEE POSSESSORS with a background clearance status of "CLEARED" or "PENDING" are authorized to transport, ship, receive or possess explosive materials in the course of employment with

"DENIED" STATUS. If an employee possessor has a background clearance status of "DENIED", you MUST take immediate steps to remove the employee from a position requiring the transporting, shipping, receiving, or possessing of explosive materials. Also, if the employee has been listed as a person authorized to accept delivery of explosive materials, you MUST remove the employee from such list and immediately, and in no event later than the second business day after such change, notify distributors of such change, as stated in 27 CFR 555.33(a).

CHANGE IN RESPONSIBLE PERSONS. You MUST report any change in responsible persons to the Chief, Federal Explosives Licensing Center, within 30 days of the change and new responsible persons MUST include "appropriate identifying

information" as defined in 27 CFR 555.11. Fingerprints and photos are NOT required, however they will be required upon renewal of the license or permit.

CHANGE OF EMPLOYEES. You MUST report any change of employee/possessors to the Chief, FELC, within 30 days. Reports relating to newly hired employees must be submitted on ATF Form 5400.28 for EACH employee.

This 'Notice of Clearance' is provided to you as required by 18 U.S.C. 843(h) and MUST be retained as part of your permanent records and be made available for examination or inspection by ATF officers as required by 27 CFR 555.121. If you receive a Notice subsequent to this Notice, this Notice will no longer be valid.

In accordance with 27 CFR 555.33, Background Checks and Clearances, and 27 CFR 555.57, Change of Control, Change in Responsible Persons, and Change of Employees, ATF's Federal Explosives Licensing Center (FELC) has conducted background checks on the individual(s) you identified as a responsible person(s) and an employee/possessor(s) on your application, or reported after the issuance of your license/permit.

The following is a SUMMARY of the results of the background checks conducted on the individuals you reported as responsible persons and employee/possessors. ATF will be notifying ALL individuals listed on this document of their respective status by separate letter mailed to their residence address.

PLEASE BE ADVISED THAT IT IS UNLAWFUL FOR ANY PERSON REFLECTING A STATUS OF "DENIED" TO TRANSPORT, SHIP, RECEIVE, OR POSSESS EXPLOSIVE MATERIALS.

Please carefully review this Notice to ensure that all the information is accurate. If this Notice is incorrect, please return the Notice to the Chief, FELC, with a statement showing the nature of the error(s). The Chief, FELC, shall correct the error, and return a corrected Notice.

To: Wiscasset Select Board

Ref: Town Manager's Report

No additional applications for appointment to the Planning Board, ORC, Climate Action Team, or Airport Committee were received. I am recommending the Board approve reappointment of the current members who wish to continue to service.

It is time to renew the animal control contract with Lincoln County. The changes in this proposed contract for 2025 include areas of Section 1 (Services) and Section 2 (Authority) that have been modified to reference the portion of Maine Law (Title 7 § 3948) that requires municipalities to provide ACO services. This change seemed necessary when it was learned that some Lincoln County towns may not have specific animal control ordinances. Section 2 continues to allow the Sheriff's Office to enforce town-specific animal control ordinances if available. The other change is a \$2.31 increase in pay for the ACO. Chief Hesseltine and I agree that hiring and retaining an ACO will be difficult, and we feel it is in the town's best interest to continue to contract for this service.

Big Al's Fireworks Outlet is applying for its annual permit to sell consumer fireworks at its retail store located at 300 Bath Road. The fire chief is scheduled to perform an inspection Monday Dec 16th and submit a report prior to the meeting. Pending any issues identified by the fire chief, I submit the following findings as confirmed by myself, police chief and CEO:

1. The 300 Bath Road lot is conforming

2. Retail sales of consumer fireworks are permitted at this location

3. Wiscasset Planning Board has previously issued a conditional use permit

4. Big Al's has a current business license on file with the town clerk

- 5. No reports indicate the applicant has been convicted of a Class A, B or C crime
- 6. No reports are on file that through the use of consumer fireworks the applicant has created a danger to the general public
- The applicant appears to be in compliance with all federal, state and local laws, ordinances, rules and regulations

8. The applicant is 21 years of age or older

- 9. The applicant has a current permit for a Consumer Fireworks Retail Store for 300 Bath Road from the State Fire Marshal's Office
- 10. The applicant has a current Federal Explosives License/Permit

11. The applicant has been approved by the police chief & CEO.

- 12. The applicant complies with the following provisions of state law regarding the storage & handling of fireworks:
 - a. The building is constructed, maintained and operated, and all consumer fireworks are stored, in compliance with the requirements of National Fire Protection Association Standard 1124, as adopted by the Office of the State Fire Marshal, relevant building codes, zoning ordinances and other municipal ordinances.
 - b. The building is not less than 60 feet from another permanent building and is not less than 300 feet from a structure at which gasoline, propane or other flammable material is sold or dispensed.
 - c. Cigarettes, tobacco products or lighters or other flame-producing devices are permitted in the building.
 - d. Persons under 21 years of age are not admitted to the building unless accompanied by a parent or guardian.
 - e. Notwithstanding paragraph D, a person at least 18 years of age may handle and sell consumer fireworks if the person is under the direct supervision of a person 21 years of age or older.

I recommend that the Board approve acceptance of the four Highway Safety Grants that the police chief has applied for.

All three business license applications comply with town requirements and I recommend approval. Due to an Adobe issue, a couple do not have department head signatures, but I have confirmed they have no issues or concerns about approval.

Huntoon Hill Grange requests Blanket Approval to operate Beano/Bingo and Games of Chance (sealed tickets) for 2025. We have no reported issues with their operation this year, and I recommend approval.

We are at that time of the year when we need to think about setting a schedule for the upcoming budget season. Budgets and ordinance changes must be completed by March 31st 2025.
