

Waterfront committee meeting minutes, Approved

Present: Susan Robson, Raye Soule, Dick Forrest, Dave Gagnon, Frank Sprague

Regular meeting 8-22-19

1709 Mtg called to order.

Harbormaster report:

Very busy mooring season.

Worm cars have been straightened out.

Working on traps left on floats.

Not locking hoist continues to be a problem.

Pump out station not operable and does not appear to be worth the trouble of making it operable.

There appears to be a demand for an ice machine at the waterfront.

WC recommends an electrical meter for each vendor.

Pier policy should state: each vendor to comply with codes.

RCF to talk with code officer about vendors complying with codes. Sign ordinance and electrical.

Had to leave at 1830.
